### **Reasons for allowance**

The following is an examiner's statement of reasons for allowance:

Prior arts of record does not disclose an inspecting apparatus. The apparatus comprises: a pair of guide rails arranged on the main body along respective sides of the substrate holder in an opposing manner; an observation unit supporting section comprising a pair of support columns respectively traveling along the guide rails and a horizontal arm section connecting the support columns; a micro inspection unit which is movable along the horizontal arm section in a direction perpendicular to the guide rails, and which includes an objective lens for microscopically observing a surface of the substrate to be inspected; a storage section which stores position coordinates of at least one defect on the substrate to be inspected which structurally arranged and functionally operated as claimed in claim 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
